Director of Training

1 Hay 1952

Head, Intelligence School

Weekly Report, 28 April to 1 May 1952

25X1A6a

- 1. Submitted herewith in the weekly report for the Intelligence School.
- 2. This week the staff interviewed all the trainees conserning their job decires, based upon their qualifications and their knowledge gained to date of the various CIA offices. One purpose of these interviews was to discuss with each student his Hid-term casm and to discuss how each student was doing in the course. The students all spoke very highly of the course, and several were amased at the amount of talent produced as speakers.
 - 3. Speakers this week were:

25X1A9a

Mr. Righard Semmon of State Department - expellent

Mr. Mr. of Office of National Estimates - excellent

25X1A9a

had to be written off the schedule for this class.

Dr. Sherman Kent because of illness has postponed his talk until next week.
